BATH QUESTIONNAIRE

Baths are very personal. They can range from purely utilitarian to marble sanctuaries. The cost for a complete gut & renovation, or a new bath, will historically range from \$20 - 50,000 and \$50 - 70,000 for Master Baths. This thought organizer will help guide our design team and establish budget parameters. Your help now, will save plenty of design time later.

General information:

-How long have you lived in your home? _____

-When was the house built? _____ How old is the present bathroom? _____

-When would you like to start the project? _____ When would you like it to be completed? _____

-Do you need help in choosing finishes? _____ Do you have an interior decorator in mind? _____

-What budget range have you established for your bathroom project? _____

-Generally where does this bath fit between the simple basics and a luxury bath? _____

-List at least six aspects of the bath that are very important to you. (i.e. good lighting, deep bath tub, two person shower, etc.) _____

-Clarify how the bath will be used. (i.e. two adults getting ready for their day, a quiet retreat, kids, guest etc.) _____

-If we are renovating an existing bath, what are the aspects of your present bath that you would like to keep? _____

-Aspects you would like to change? _____

-List at least six important design elements (i.e. beveled glass mirrors, painted woodwork, faux finished walls, frameless shower enclosure, fixture finishes, etc.) _____

Rate the following options: 1 - Vital 2 - Important 3 - "would be nice" 4 - Not needed
